Owners Plan Modern Building-Postoffice Advanced. Mormons May Locate.

Del Rio, Texas, May 11.-A realty al of importance was the sale to judge J. Foster and Joseph Rosenfield, lomen, of the southwest corner lot Perry (Main) and Cove streets. The e paid was in the neighborhood of 20,000, or over \$200 per front foot. The lot is 83x333 feet, and is situated on four streets. A two-story brick building is now on the property in addition to a summer theater. The new wners plan to erect a business building in the near future, to cost probably \$200,000, which will include a department store, and possibly a modern opera house and offices.

The locating engineer of the Orient railway and his party have returned to Del Rio to permanently settle the route through the city and to locate the terminal and depot grounds. A nice rain fell here, following the shower of last week.

Grand Jury Reports-Kick of Crank Breaks Chauffeur's Arm—School

Closes.

Roswell, N. M., May 11 .- Col. W. S. Hopewell, vice president of the New Mexico Central Railroad Co., and John of the Gould system of rallways, but formerly vice president of the Rock Island and later chief engineer of the Panama canal, have been here in con-nection with the proposed extension of the New Mexico Central from Torrance to Roswell and thence on southeast to some point on the Texas & Pacific, so as to make a through line from the

northwest to the Gulf of Mexico. Nineteen true bills were returned by he territorial wrand jury for Chaves county at its first report. The follow-ing arrests have been made: Henry Foster and Elmer R. Wickham, charged with forgery; Tomas Martinez, Marco Corona and Saferina Oruelos, charged with stealing horses from Prager Mil-ler; and Jack Padget and John Hart. charged with larceny of beef.

When Elmo Rainboldt, a driver for he Roswell auto company on the Roswell-Vaughn stage and mail line, cranked his auto near El Arroyo de La Clenega del Macho, about 25 miles from Roswell, the back kick of the crank broke his arm. After driving about even miles in his effort to reach Rosell with his only passenger, judge Wm H. Pope, returning from Carrizozo, the severe pain compelled Rainboldt to stop nd await the arrival of a car sent out from Roswell, as is always done when

car is delayed. Dr. W. C. Alexander, pastor of the First Presbyterian church of Roswell, preached the baccalaureate sermon to the graduating class of the Artesia High school. Judge Wm. H. Pope, of Roswell, chief justice of the New Mexico supreme court, is to deliver the ad-

dress before the class on Friday night.
After severe suffering for several days with a strange inflamation in one of his ears, C. W. Heaton submitted to an operation and three grains of wheat were found in the ear.

Briga dier general Felix Diaz, a sephew o president Diaz and at present chief of police in the federal district, is also mentioned for the governorship. A Span-ish daily here, which is opposed to the present state administration, has published a press dispatch from Mexico City to the effect that Gen. Felix Diaz's name had been mentioned in connection with the Chihuahua governorship. Offi-

cials here will not say a word.

The occupancy of a cabinet position and a governorship of a state at the same time is nothing unusual here. This state has had the case of Gen. Carlos Pacheco being elected governor of Chi-huahua while minister of fomento. He ated and immediately had the state legislature give him an unlimited leave of absence, name his nominee as acting governor and he returned ... his cabinet duties in Mexico City.

ANCIENT ARIZONA STAGE

Globe Ariz., May 11 .- As the result of a successful trial in which it was shown that the automobile can be work of the old time stage over mountain roads, the historic Globe-Kelvin stage has been supplanted by an auto mobile line.

Instead of the antiquated four wheeler which has been a regular traveler over the Pinale from Globe to Kelvin since the days when Arizona was young and when railroads were not as numerous as they are at the present time, the automobile now makes regular trips between these two points.

> A Few "Good Things" That are True About

## GRANDVIEW

Grandview has the modern conveniences that make city life so popular-electric lights, telephones, street cars. Grandview has, in addition to these, a delightfully cool, healthy location-up on the side of the mountain above the smoke and noise of El Paso. Grandview has still more-good fertile soil so that vines and flowers and grass, not to mention vegetables, can be had at small outlay of either time or money. Put it all into one sentence—"Grandview is the Idea! Place for a Home."
